

# Pretend To Be

## Linkin Park

You say that you're proud of me  
Ooo, oo, oo, oo  
And take something out of me  
So, oo, oow  
Predictable why do I have to see this through  
Why do I have to take this  
Isn't there something I can do  
to make myself finally say thisChorus:  
No  
You've taken this too far  
Exposing who you are  
For all to see, you're not the one that you pretend to beYou start with apologies  
Ooo, oo, oo, oo  
Then take another shot of me  
So, oo, oow  
Predictable why do I have to see this through  
Why do I have to take this  
Isn't there something I can do  
To make myself finally say thisChorus:  
No  
You've taken this too far  
Exposing who you are  
For all to see, you're not the one that you pretend thisNo  
You've taken this too far  
Exposing who you are  
For all to see, you're not the one that you pretend to beOo, Oo....[Chorus]
