Blackout

Six Feet Under

I realize, I missed a day
But I'm too wrecked to care anyway
I look around and see this face
What the hell have I lost my taste?Don't want to find out
Just want to cut outMy head explodes, my ears ring
I can't remember just where I've been
The last thing that I recall
I got lost in a deep black holeDon't want to find out
Just want to cut outBlackout
I really had a blackout
Blackout
I really had a blackout
Blackout
I really had a blackout
Blackout
I really had a blackoutI grab my things and make the run
On the way out, another one
Would like to know before I stop
Did I make it or did I flop?Don't want to find out
Just want to get outBlackout
I really had a blackout
Blackout
I really had a blackout
Blackout
I really had a blackout
Blackout
I really had a blackout
I really had a blackout babyDon't want to find out
Just want to get outBlackout
I really had a blackout
Blackout
I really had a blackout
Blackout
I really had a blackout
Blackout
I really had a blackoutBlackout
Blackout
Blackout
