

# Secrets (The Voice Performance)

## Will Champlin

I need another story  
Something to get off my chest  
My life gets kinda boring  
Need something that I can confess  
Til' all my sleeves are stained red  
From all the truth that I've said  
Come by it honestly I swear  
I thought you saw me wink, no  
I've been on the brink to Tell me what you want to hear  
Something that will light those ears  
I'm sick of all the insincere  
I'm gonna give all my secrets away  
This time, don't need another perfect lie  
Critics ever jump in line  
I'm gonna give all my secrets away My God, amazing how we come this far  
It's like we're chasing all those stars  
Who's driving shiny big black cars  
And everyday I see the news  
And the problems that we could solve  
When a situation rises  
Just write it into an album  
Send it straight to gold  
I don't really like my flow Tell me what you want to hear  
Something that are like those years  
I'm sick of all the insincere  
I'm gonna give all my secrets away  
This time, don't need another perfect lie  
Don't care if critics never jump in line  
I'm gonna give all my secrets away Got no reason, got no shame  
Got no family I can't blame  
Just don't let me disappear  
I'mma tell you everything Tell me what you want to hear  
Something that'll light those ears  
I'm sick of all the insincere  
I'm gonna give all my secrets away  
This time, don't need another perfect lie  
Don't care if critics never jump in line  
I'm gonna give all my secrets All my secrets away

So I'm gonna give all my secrets away
