Three Or Four Feet From Home

Quicksilver Messenger Service

I'm home
We're home
Good ole home
It wasn't very far to go
Tell me that it isn't so
Can't you see that I'm here
I'm just 3 or 4 feet from home
North or south and up or down
East or west which is the best to roam
You notice that we're not alone
Although our heart is moving
I'm just 3 or 4 feet from home
Out through the country side
Travellin' in far and wide
I can see where I'll be
When I finally get my heart home
No matter which way you go
You might think that we're travellin' on
But we're just moving around in home
Car and things and moving trains
Walk or ride
They got me playin' the game
Anyhow They're all the same
It might look like I'm moving
But I got myself to stay
tryin' to find a sign here on this mountain side
I fanally realize
Home is a frame of mine
So no matter where I have to go I know
Although our heart is moving
I can't be that far from home
I'm home
We're home
Good ole home
Home, home home home
Tell me when will you be home?
