

# Keep On Doing That

## The Crispies

[Verse 1]

I'm a fraud and your mouths my casino  
Everytime I get my hands caught up  
My heads a penny and you spend it like it's nothing  
'cause it's nothing to me 'cause you're stuck up and I'm punch drunk

[Verse 2]

Fast car road block coke bunny pop rocks  
I can't stand your bubblegum face  
Exclusively intrusive and too stressed to impress you  
Keep it locked keep it low keep on doing that
