

# Rock the Nation

[Axel Rudi Pell](#)

The show is over  
Still hear the ringing in your ears  
Another day on the road and no time for fears  
The lights turned off  
The stage is cleared and empty  
The energy level you had turned down completely  
PRE-CHORUS:  
Hot nights of thunder  
All fists up in the air  
CHORUS:  
We are the wild creation  
And we will rock this town  
We gonna rock the nation  
So shout it out loud  
A thousand miles away from home  
You're locked inside the circus  
Stragelyright you try to stay cool and not getting nervous  
The countdown starts, a few seconds to go, all hell breaks loose  
And you're giving all that you can and sometimes even more  
PRE CHORUS:  
Hot nights of thunder  
All fists up in the air  
CHORUS:  
We are the wild creation  
And we will rock this town  
We gonna rock the nation  
And there is no doubt  
We are no strange sensation  
But wanna teach you loud  
We gonna rock the nation  
And there is no doubt  
be-PART  
This is your life and it means all to you  
This is your life for breaking the rules
