

# Military Madness

## Crosby, Stills & Nash

In an upstairs room in blackpool  
By the side of a Northern Sea  
The army had my father  
And my mother was having meMilitary madness  
Was killing my country  
Solitary sadness  
Comes over meAnd after the school was over  
And I moved to the other side  
I found a different country  
But I never lost my prideMilitary madness  
Was killing the country  
Solitary sadness  
Creeps over meAnd after the wars are over  
And the body count is finally filed  
I hope that man discovers  
What's driving the people wildMilitary madness  
Is killing your country  
So much sadness  
Between you and meWar, war, war  
War, war, war  
...
