

Coming Back

Dean Ray

I'm sinking like a restless stone
with demons in my head
I feel you in my skin to bone
With darkness in the air
Chasing down your silhouette
I find there's nothing there

Facing down a lonely road
Into the pure unknown
But I'll keep coming back

You can steal my mind
Twist it for a while
But you can't take my pride
You can watch me crack
Throw me way off track
But I'll keep coming back

You can steal my mind
Twist it for a while
But you can't take my pride
You can watch me crack
Throw me way off track
But I'll keep coming
I'll keep coming back

The streets of Heaven never had a name
I found my own way there
I know I'm bound to lose my way again
'Cause love and war is never fair

Facing down a lonely road
Into the pure unknown
But I'll keep coming back

You can steal my mind
Twist it for a while
But you can't take my pride
You can watch me crack
Throw me way off track

But I'll keep coming back

You can steal my mind
Twist it for a while
But you can't take my pride
You can watch me crack
Throw me way off track
But I'll keep coming
I'll keep coming back

Take my mind
Take my mind to rest

You can steal my mind
Twist it for a while
But you can't take my pride
You can watch me crack
Throw me way off track
But I'll keep coming back

You can steal my mind
Twist it for a while
But you can't take my pride
You can watch me crack
Throw me way off track
But I'll keep coming
I'll keep coming back

I'll keep coming back
I'll keep coming back
