Today

Junkie XL

Got the bluest eyes
That I have seen (seen, seen, seen)
Lost up in the skies
Caught in a dream (dream, dream, dream)
What you whisper to me
And breathe into my vains
And believe in magic
To wash away the stainAnd it feels like today
So just hold on tight
And let it slip awayAnd it feels like today
So just hold on tight
And let it slip awayGive me all the weight
That holds you down (down, down, down)
Don't let it stop
And burn in for the sound (sound, sound, sound)
And the world keeps moving
It's all we ever known
And I know inside that
I'll never be aloneAnd it feels like today
So just hold on tight
And let it slip away
