I Never Knew

Lester Young

You, get me feelin' crazy
There always on my mind
And I get to feelin' lately
If I never knew your name,
I'd love you all the same
But I have you to myself
Wanting nothing else
Knowing that you're mineGood time,bad time,all the time
Hands reachin' 'cross a room
And I know somewhere inside my mind
If I never knew your name,
I'd love you all the same,
But I have you to myself
Wanting nothing else
Knowing that you're mineBa ba ba ba ba
Ba ba ba ba baAnd I know somewhere inside my mind
If I never knew your name,
I'd love you all the same
But I have you to myself
