

Best Friends

Switchblade Kittens

Walk through don't need a key
a bookish frump dressed up a she
i put on your worn pink hoodie
and you say it looks it looks better on me!

Best friends
Hard to know where the line is
Best friends
Its like a change when a friendship ends
Best friends
And something more begins
Best friends..Best friends

Your my best mate since were knee high
My amazed arms hold you when you cry
My strong hand brushes your thigh
How I feel took me by surprise

Chorus

I like you..I like you..
I think..I think about you..
I love you...i love you..
And i think..i think you like me too!

chorus x2
