I Forget

Laurel

[Verse 1:]
Is it all gone?
Is it over?
Never know
Never know where you gonna
And I never know where you're gone, I forget
You know me better than the rest, and
You know I'm just tryna fill my time
You used to admire
Let it go, let me go crazy tonight
Don't even know it's too late to fall
Aren't we always dreaming?[Chorus:]
Me and my love don't fight, we stay together
Me and my love don't cry, we just move on
Oh, and I feel you watching over me
I'm foolish in leaving you, wait just to made it to faith
My heart, you go[Verse 2:]
Didn't move on
Didn't know
Didn't know that
Didn't know
Didn't know it
Where we been wrong
I forget you
I'm better then the best I've tried
And I'm just tryna take my time
Are we fine? Take me home, I confess
And I don't even know it's too late to call
Like you want me toPlease don't go, I'll call your name
Darkness stays so you're not gone
I give you more[Chorus:]
Me and my love don't fight, we stay together
Me and my love don't cry, we just move on
Oh, and I feel you watching over me
I'm foolish in leaving you, wait just to made it to faith
My heart, you goMe and my love don't fight, we stay together
Me and my love don't cry, we just move on
