

# Unshakeable

## LOJ Worship

All the earth exalts in who You are  
Heaven sings Your praises from above  
You hold the world with Your unfailing love  
How majestic is Your love  
How majestic is Your love In Christ alone  
I place my trust chorus:  
You're unshakeable  
You are faithful  
every knee shall bow  
to worship You  
We cry out  
How great You are, Jesus  
You will never change Bridge:  
We will not be shaken  
We will not be shaken  
We will not be shaken in You
