

# I Know The Truth

**Janet Jackson**

How have I come to this?  
How did I slip and fall?  
How did I throw half a lifetime away  
Without any thought at all?  
This should've been my time  
It's over, it never began  
Facing a world, for once not on my side  
I simply turned and ran  
I try to blame it on fortune  
Some kind of twist in my fate  
But I know the truth and it haunts me  
I learned it a little too late  
I know the truth and it mocks me  
I know the truth and it shocks me  
I learned it a little too late  
People have faith in me  
I think I once did too  
I promise whoever has a hold on our lives

I'll see the bad times through  
This should have been my time  
It's over, it never began  
Facing a world, for once not on my side  
I simply turned and ran  
I try to blame it on fortune  
Some kind of shift in the stars  
But I know the truth and it haunts me  
It's flown just a little too far  
I know the truth and it mocks me  
I know the truth and it shocks me  
It's flown just a little too far  
I try to blame it on fortune  
Some kind of twist in my fate  
But I know the truth and it haunts me  
I learned it a little too late
