I'm Alright

Jah Woosh

Don't wanna be here.
Repeating a new year.
Don't wanna let you down.
'Cause i'm in a new town.
Surrounded by let downs.
I don't wanna let you down.
I'm alright.
I'm gonna make it.
Even if i gotta fake it
I'm alright
I'm gonna make it.
Even if i gotta break it.
I'm alright.
I'm in a new place.
And you're now in my face.
I don't wanna let you down.
And i need my distance.
'Cause i'm feeling selfish.
I don't wanna let you down.
I'm alright.
I'm gonna make it.
Even if i gotta fake it.

I'm alright
I'm gonna make it.
Even if i gotta break it.
I'm alright.
I'm just a memory of everything i'll ever need.
I'm gonna make it now.
Always...let you down.[x3]
I'm alright.
I'm gonna make it.
Even if i gotta fake it.
Im alright.
I'm gonna make it.
Even if i gotta break it.
I'm alright.
Don't wanna be here.
Repeating a new year.

I'm alright.
Don't wanna let you down.
I'm in a new town.
Surrounded by let downs.
Don't wanna let you down.
