Such a thug boo

when i get older imma come over and f-ck you
Cuz thats my icecream

Thats my icecreamman, my rubberband man
like he rock a bandana, and, and
He need a antenna

Do it like E.T. i make a nigga phone home
I really like vanilla, but my favorite color chocolate

ch-ch-ch-chimmies on the top man
b-butterscotch jam
p-put some nuts in those cups
thats whatsup man
cuz thats my icecream

thats my icecreaman, man
Such a thug boo
i like your truck too

when i get older imma come over and f-ck you
Cuz thats my icecream
