

I Shot the DJ

Scooter

Comin' at ya like Cleopatra
YesCheck us out, close the door
We're comin' at ya, get some more
Check us out, what to do?
This tune is set, it's up to youI wanna check it out
Punani, punani
I wanna check it outI shot the DJ
I shot the DJ
I shot the DJCheck us out, turn the bass
We're comin' at ya, right in your face
Check us out, no control
From the desk to your soulI wanna check it out
Punani, punani
I wanna check it outI shot the DJ
I shot the DJ
I shot the DJI wanna check it out
I wanna check it outI shot the DJ
I shot the DJ
I shot the DJ
Yea, c'mon
I wanna check it out
