

# Hands

Bryan Lanning

Fingertips  
Find familiar places  
Single kiss  
It puts me through my paces Now we can dream  
And dream so big  
All we wanted was one last night  
To feel like this Fingertips, fingertips  
Find familiar places  
I rush, I rush to your hands  
Your hands rush to mine  
Holding me close  
Holding me tight  
You're never alone  
It just feels right  
When I'm in your hands  
It feels like home  
It feels like home  
It feels like home Bodies  
Rolling under the veil  
A single taste  
Can save me from hell And though we can run  
Run so far  
All we wanted was here now  
Here where we are  
Bodies, bodies  
Rolling under the veil When I'm in your hands, hands, hands  
It feels like home  
Yeah, oh  
It feels like home  
Yeah, oh I never thought I'd feel this anymore, oh  
I never thought I'd feel this anymore, oh I never thought I'd be here anymore, oh  
I never thought I'd be here anymore, oh When I'm in your hands, hands, hands  
It feels like home  
Yeah, oh  
It feels like home  
Yeah This is home
