

# You Gave Me The Answer

**Paul McCartney**

You gave me the answer  
To love eternally  
I love you and you  
You seem to like me Wherever we wander  
The local folk agree  
I love you and you  
You seem to like me Heading back to old familiar places  
Places where the cobwebs blow away  
I can forget the airs and graces You'll never be crowned by the aristocracy  
To their delight, you'd merely invite  
Them in for a cup of tea And I love you and you  
You seem to like  
You seem to like  
You seem to like me
