Lost and Found

Randy Rogers Band

Day after day,
I tell myself you never meant the words that you said,
Night after night I lie here alone,
Can't get you out of my head,
Like a fool I let our love slip away,
Left me here what more can I sayMissed my chance I lost my turn,
My ship sank, I crashed and burned
Broke your heart then I let myself down
Lost the fight I lost the game,
Now there's only me to blame,
If you wonder where I am check the
Lost and foundTime after time
I fell short of the man you needed me to be,
Lie after lie I left you no choice
But to pack your clothes and leave,
I've got too much pride to beg you to stay,
But before you go just let me sayMissed my chance I lost my turn,
My ship sank, I crashed and burned
Broke your heart then I let myself down
Lost the fight I lost the game,
Now there's only me left to blame,
If you wonder where I am check the
Lost and foundMy ship sank, I crashed and burned,
Broke your heart then I let my self down,
Lost the fight I lost the game,
Now there's only me left to blame,
If you wonder where I am check the lost and found.
If you want to find me
