

Tear (Sensi Sye x Cresce Remix)

Post Malone

[Hook]

I wipe my tears with the money, yeah

I wipe my tears with the money, yeah

That Supreme takes the pain away

I wipe my tears with the money, yeah

I wipe my tears with the money, yeah

I wipe my tears with the money, yeah

That Supreme takes the pain away

I wipe my tears with the money, yeah[Verse 1: Post Malone]

What you know about me?

Y'all don't really know shit and I'm fuckin' your bitch right now

And I really really hit the Palisades right now

Supreme on my back and I'm whippin' the woo

Man these bitches don't know, man these bitches don't know

I'm swaggin' on these hoes and I pull up in that woo

And I pull up on that road, doin' hundred miles and hold

Man I poke another hole, I smoke another O

And I pour another O and I smoke another

Pull up on Fairfax, drop top

Hop out into the 'Preme store, top notch

Already bread jumping out the pockets

Ain't no worries, wipe my tears with my dollars[Hook]

I wipe my tears with the money, yeah

I wipe my tears with the money, yeah

That Supreme takes the pain away

I wipe my tears with the money, yeah

I wipe my tears with the money, yeah

I wipe my tears with the money, yeah

That Supreme takes the pain away

I wipe my tears with the money, yeah[Verse 2: 1st]

If I got an issue, I don't need no tissue

My bitch started cryin', I bought her a shitzu

You gotta do what you gotta do just to get through

And if you play with my money, your mom gon' miss you

I started throwin' a tantrum, so I copped me a Phantom

And every time she gets mad, I throw the keys to the Jag

Broke niggas call me materialistic

We do not ball the same, you're still learnin' how to pivot

Since I got rich, I don't drink beer

Leave the mall, leave a trail of tears
I told my son don't have no fears
If he ever feels down we can take off in the leer
We could be gone tomorrow, love today
And when that check hit my account, this what I say
