

I Don't Wanna Fight

Tina Turner

There's a pale moon in the sky
The kind you make your wishes on, oh
Like the light in your eyes
The one I built my dreams upon It's not there any longer
Something happened somewhere and we both know why
But me, I'm getting stronger
We must stop pretending, I can't live this life I don't care who's wrong or right
I don't really wanna fight no more
(Too much talkin' babe)
Let's sleep on it tonight
I don't really wanna fight no more
This is time for letting go I hear a whisper in the air
It simply doesn't bother me, oh
Can't you see that I don't care
Or are you looking right through me? It seems to me that lately
(Seems to me that lately)
You look at me the wrong way and I start to cry
Could it be that maybe
(Could it be that maybe)
This crazy situation is the reason why, oh I don't care who's wrong or right
I don't really wanna fight no more
(Too much talkin' babe)
Let's sleep on it tonight
I don't really wanna fight no more
(Tired of all these games) Oh baby don't you know
That I don't wanna hurt no more
(It's time, I'm walking babe)
Don't care now who's to blame
I don't really wanna fight no more
This is time for letting go Hanging on to the past
It only stands in our way
We had to grow for our love to last
But we just grew apart
Oh, don't wanna hurt no more But baby don't you know
No I don't wanna hurt no more
(Too much talkin' babe)
Don't care now who's to blame
I don't really wanna fight no more
(Tired of all these games) I don't care who's wrong or right

I don't really wanna fight no more
(It's time, I'm walkin' babe)
So let's sleep on it tonight
I don't really wanna fight no more
This is time for letting go No, I don't wanna hurt no more
(Too much, hey baby)
Don't care now who's to blame
I don't really wanna fight no more
'Cause this is time for letting go Hmm, let it go
Let it go, let it go, let it go
Hmm, let it go, let it go
Hmm, so let it go
