

# Common Bonds

## Sepultura

Before we're born  
Before we walk  
Before we talk and hate  
Yet to come the perfect ruleAfter we win  
After we lose  
After the dawn is late  
Do it now or shut your mouthNo lack of trust, just trust myself  
No more perhaps, no more false step  
Changes in sight, sight!  
Common bondsFear the fate that's not the shape of the soul  
Trust the heart and share to ease the pain  
No mistake is big enough to bring you down  
The wrinkles on your face is strength in your mindNo lack of trust, just trust myself  
Changes in sight, sight!  
Common bondsThe urge to win  
A time to strike  
Follow no one  
Follow no oneStrength in mind
