

Bow to the Pedal

Gang of Thieves

A dream on a ride, a thrill every night
And I know we're gonna bring it on for a long, long time
To all the people we meet on the way
We would be nowhere without all of your love and we'll thank you till our dyin' day
So bow to the pedal and go Take me on a ride now honey
I wanna get some more
Take another ride
One more time
Ya make me wanna ride now honey
Get on and get some more
Take another ride
A breath for the soul, a wish for the wise
And I know its only a matter of time before the people rise
Wherever we go the road is our bride
And she will hold on to our love affair no matter how far we ride
So Bow to the pedal and go Take me on a ride now honey
I wanna get some more
Take another ride
One more time
All night long now honey
Get out and get some more
Take another ride And nothing hurts like yesterday
But facing fears will help them wash away
The only road that you can pave
Is the one you face today
So bow to the pedal and go
A dream on a ride, a thrill every night
And we're gonna keep on playing out for a long, long time
To all the people we meet on the way
We would be nowhere without all of your love and I'll thank you till my dyin' day
