L Formation

The Red Chord

You play the role as a pawn.
With my rook, I will destroy.
Coining the term "Blowjob Rock" with such integrity.
Did you think I could respect?
Control and erase.
Masking your intentions in a blanket of sensitivity,
and hiding behind a pair of thick rimmed glasses,
you create and perpetuate a new breed of sexual predator.
You play the part as a pawn with such integrity.
With my rook, I will destroy.
So now you know.
Watch yourself.
Control and erase.
Now you know - watch yourself - you're in check.
Control and erase.
