

Almighty Blues

Wishbone Ash

(Ben Granfelt/Ben Granfelt) Don't tell me baby
 'Cause I already know
 Things could be better,
Not like this Broadway Show Always a reason
 There's no time to talk
 I don't want you leaving
And I surely don't want you to walk (Chorus)
 'Cause I never felt this way I feel before
 Is this the blues? Almighty Blues
I've never felt so lonely, since I lost my one and only I can't go the distance
 I can't close the door
 Feel alone in a crowd
I can't take no more (Chorus) Don't need a reason
 To be in your game
 With a loser's luck
It's nothin' but a cryin' shame (Chorus)
