

I'm The Other Man (interlude)

Tyrese

Naw for real man, it's like everytime I run into a girl

She wanna just sit up and tell me about how man treatin' her

 This is what I told one girl

 When you get lonely at night

 Call me I'll be right there

(I'm the other man, I'm the other man)

 I'm the other man, yes

 (For your woman)

 When you need someone to talk to

 You know just what to do

 Pick up the phone and call me

(I'm the other man, I'm the other man)

 Baby

 (With your woman)

 I'm the other man

 When he ain't lovin' you right

 Call in Tyrese it's alright

 I'm a give you what you missin'

(I'm the other man, I'm the other man)

 I'm the other man, yes I'm

 (With your woman)

 Does that make you less of a man?

 To walk down the street

 Holding your woman's hand, that's why

(I'm the other man, I'm the other man)

 I'm the other man, I'm the other man

 (With your woman)

 Yeah, yeah, yeah get your life together

'Cause she's gonna keep on coming my way, yeah

(I'm the other man, I'm the other man)
