Hold Hands

OmarGosh

I see you down the hall, pretending that you donâ€™t see me
I donâ€™t know if you think Iâ€™m the one
Maybe we could hang out have some fun
If you want we can talk about things we like
Think of something fun to do
And maybe we could be more than just friends
And if youâ€™re ready and you donâ€™t want it to end

Then maybe we can hold hands
Then letâ€™s go someplace new, yeah you and me babe, just us two
Girl, so maybe we can hold hands
Cause youâ€™re the only one I want, and babe I swear itâ€™s not a front
So maybe we canâ€¦

When youâ€™re walking home at night, when youâ€™re on youâ€™re way to school
And when you walk the halls I wanna be right by your side
And see I donâ€™t care if your friends think Iâ€™m cool
Cause I know just what I want and hey girl, guess what? Itâ€™s you
As more than just friends
And I hope you feel the same and it never ends

Then maybe we can hold hands
Then letâ€™s go someplace new, yeah you and me babe, just us two
Girl, so maybe we can hold hands
Cause youâ€™re the only one I want, and babe I swear itâ€™s not a front
So maybe we canâ€¦

So maybe we canâ€¦ Hold Hands
Cause youâ€™re the only one I want
So maybe we canâ€¦
So maybe we canâ€¦

Then maybe we can hold hands
Then letâ€™s go someplace new, yeah you and me babe, just us two
Girl, so maybe we can hold hands
Cause youâ€™re the only one I want, and babe I swear itâ€™s not a front
So maybe we canâ€¦
