

Can't Lose 'Em All

Devon Allman

They say every dog gonna have his day
Ain't so much as a bone ever thrown my way
My good luck's been runnin' bad
Lost everything that I ever had
'cause the dice won't roll my way
I keep bettin' waitin' on the ace to fall
'cause you can't lose 'em all

Bit off more than a man can chew
Worked and I slaved, gave it all to you
But I just kept on hangin' on
Even when all hope was gone
I knew I had to see it through
Tryin' to keep the faith
Each time I fall
'cause you can't lose 'em all

You can't lose 'em all
The table's gonna turn someday
What goes up must come down
The pendulum swings around
So don't give up
This could be your lucky day

You can't lose 'em
All no, you can't lose 'em all
What goes up must come down
The pendulum swings around
Don't give up
'cause this could be your lucky day

You can't lose 'em all
No, you can't lose 'em all
No, you can't lose 'em all
You can't lose 'em all
