Jesus Wept

Suicide Commando

Advisory - the following lyrics contain explicit language:

living like sinners
we don't even care
loosing religion
we're heathenslowly destroying our own precious world
slowly destroying our mindgod, where are you
don't leave me alone
god, where did we go wrong
god, where are you
I don't want to stay
god, please guide me the waykilling our children
we don't give a damn
killing our jesus
we're blindedslowly destroying our own precious world
slowly destroying our mindgod, where are you
don't leave me alone
god, where did we go wrong
god, where are you
I don't want to stay
god, please guide me the way
