

# Fall In Love With Me

Iggy Pop

You look so good to me here in this old saloon  
Way back in West Berlin, a bottle of white wine  
White wine and you, a table made of wood  
And how I wish you would fall in love with me  
You look so good to me standing out in the street  
With your cheap fur on or maybe your plastic raincoat  
And your plastic shoes, they look good too  
Standing in the snow, you're younger than you look  
Fall in love with me, fall in love with me  
How I wish you would, a table made of wood  
And a, a bottle of white wine and you  
And a, a bottle of white wine and you  
And when you're standing in the street  
And it's cold and it snows on you  
And you look younger than you really are  
I wish you would fall in love with me  
I wish you would fall in love with me  
I wish you would fall in love with me  
I wish you would fall in love with me, yeah  
The way your eyes are black, the way your hair is black  
The way your heart is young, there's just a few like you  
You're just the kind I need to fall in love with me  
Oh, and you look so good, oh yes, you look so good  
A bottle of white wine, a cigarette and you  
A here in this saloon, a white wine and you  
I wish you'd fall in love with me  
I wish you'd fall in love with me  
Cause there's just a few like you so young and real  
There's just a few like you so young and real  
Fall in love with me, fall in love with me  
Fall in love with me, fall in love with me  
I wish you would, you look so good  
Oh when you're young at heart, there's just a few like you  
You're young at heart, won't you?  
Come to this old saloon, come to my waiting arms  
A table made of wood and I will look at you  
Cause you're so young and pure, and you're young at heart  
You're young at heart, a bottle of white wine  
And when you're tumblin' down, you just look better  
Oh, when you're tumblin' down, you just look better
