Aching

Hunterchild

Good love
Come
Good love
It's an aching
Goes on and on
When you're here by my side
It's a vision
I can't see it, no
Without you I am blind
And I just can't explain it (explain it)
It's like something I can't get out (something I can't get out)
What a beautiful thing
Love
(I think you're beatiful but I don't get to show you yet)
Good love
(I think it's love but I don't think that you know it yet)
Good love
(I think I love you but I don't get to show you yet)
Good love
(I think it's love but I don't think that you know it yet)
It's a passion
Fueled by your touch
I need to touch you now
It's a sickness
But I'm feeling fine
So sick that I could die
And I just can't explain it (explain it)
It's like something I can't get out (something I can't get out)
What a beautiful thing
Love
(I think I love you but I don't get to show you yet)
Good love
(I think it's love but I don't think that you know it yet)
Good love
(I think I love you but I don't get to show you yet)
Good love
(I think it's love but I don't think that you know it yet)
