

# Goodnight Irene

## Nightlosers

Irene goodnight, irene goodnight  
Goodnight irene, goodnight irene  
    I'll see you in my dreams  
    Sometimes I live in the country  
    Sometimes I live in town  
    Sometimes I have a great notion  
    To jump into the river and drown  
    Irene goodnight, irene goodnight  
    Goodnight irene, goodnight irene  
    I'll see you in my dreams  
    Quit ramblin' and quit gamblin'  
    Quit stayin' out late at night  
Stay home with your wife and family  
    Sit down by the fireside bright  
    Irene goodnight, irene goodnight  
    Goodnight irene, goodnight irene  
    I'll see you in my dreams  
    I asked your mother for you  
    She told me you was too young

I wished to God I'd never seen your face  
    I's sorry you ever was born  
    Irene goodnight, irene goodnight  
    Goodnight irene, goodnight irene  
    I'll see you in my dreams  
    I love irene, God knows I do  
    I'll love her till the seas run dry  
    And if irene turns her back on me  
    I'd take morphine and die  
    Irene goodnight, irene goodnight  
    Goodnight irene, goodnight irene  
    I'll see you in my dreams  
You cause me to weep, you cause me to mourn  
    You cause me to leave my home  
    But the very last words I heard her say  
    Was "please sing me one more song"  
    Irene goodnight, irene goodnight  
    Goodnight irene, goodnight irene  
    I'll see you in my dreams
