Wonderful

Christy Nockels

Jesus, You are so wonderful
So wonderful in all Your ways
The highest praise is Yours alone
Cause You are so wonderful
So wonderful You areAnd Jesus You are so beautiful
So beautiful as You outshine the brightest light
Theres no one like You
Cause You are so beautiful
So beautiful You areChorus
And my life will burn for You
Cause Your light shined in the darkness
I was hopeless and You lifted up my head
To sing for joy
With a song that broke the silence of my worship
Now Im singing all the day
And forevermore, You will be adored
Cause You are wonderful
You are so wonderfulJesus You are magnificent
Magnificent, Im confident Your evidence is everywhere
Cause You are magnificent
Magnificent You are
Yes You are, yes You areChorus
And my life will burn for you
Cause your light shined in the darkness
I was hopeless and you lifted up my head
To sing for joy, I will sing
With a song that breaks the silence of my worship
Now Im singing all the day
And forevermore, You will be adored
Cause You are wonderfulAnd my life will burn for you
Lord, it will burn
Cause your light shined in the darkness
I was hopeless but You lifted up my head
To sing for joy, Oh I will sing
With a song that breaks the silence of my worship
Now Im singing all the day
And forevermore, You will be adored
Cause You are wonderful
Yes, You are wonderful

Yes I know, Yes I know
Forever Wonderful
