

No Sleep (ft. KSI, Tigger Da Author & Tubes)

Sway

Yeah, yeah Sway has arrived
Keeping you up all the day and the night
Some want to be wanted
Some want to be G's
Saturday night fever we're staying alive
It's the day in the life
Roaming the streets
Hands in the air if you know your a "Beast"
Let them phone the police
We never hide
The visions but we never came here to fight
Got to push the top five there ain't no challenge
(Just can't get no sleep)
We practice and train in a place where there ain't no camera's
(Just can't get no sleep)
You better get ready like a sub when the base goes "Bang"
(Just can't get no sleep)
Climb up table and we don't even take no ladders
And they'll be looking like where's you table manners(Let's Go)
I went to the mountains
(Na, Na, Na, Na, Na, Na)
Fell in love with the peace
(Na, Na, Na, Na, Na, Na)
But no matter how hard I try
(How hard I try)
Just can't get no sleep
(Oh, oh, oh, oh)
I said I just can't get no sleep
(Oh, oh, oh, oh)
I said I just can't get no sleep
(Oh, oh, oh, oh)
I said I just can't get no
Just can't get no
Just can't get no sleep(Ha ha, yeah it's your boy Ksiolajidebt)
(Let's do this!)
KS-I, yes
I'm an all nighter
I don't like rest
Nothing on me at my best

Selena Gomez she got nice (Yes)
Twenty-Four-Seven I aim for the heavens
Even when I was eleven
Heaven was finding the seven
Minutes alone in my bedroom (Ergh)
Hear that sound
Heartbeat beating
Going so fast you can see that I'm beasting
No sleep, no sleep, no sleep
You won't see any cause I ate my sheep
Let's get messy like Lionel
Get hyper as a mosher's pit
I'm on this bi-
No one can stop me
Out of my way let me finish this properly
(Yeah)(Let's Go)
I went to the mountains
(Na, Na, Na, Na, Na, Na)
Fell in love with the peace
(Na, Na, Na, Na, Na, Na)
But no matter how hard I try
(How hard I try)
Just can't get no sleep
(Oh, oh, oh, oh)
I said I just can't get no sleep
(Oh, oh, oh, oh)
I said I just can't get no sleep
(Oh, oh, oh, oh)
I said I just can't get no
Just can't get no
Just can't get no sleep No sleep
Deep breath, here it goes
It's super swa'
I'm on top of the mountain, no we're never get so here we go
before I cover my head around the home ting with the home ting,
so I took it home with the trophy
(Whoa, whoa, whoa Sway mate, Sway mate, you've got to go a bit more slowly)
Alright Tubes, you show me, but you got one bar and one bar only
Sum those up on the way to the top
(Oh my gosh Sway, wait for the drop, drop, drop, drop)(Oh, oh, oh, oh)
I said I just can't get no sleep
(Oh, oh, oh, oh)
I said I just can't get no sleep
(Oh, oh, oh, oh)
I said I just can't get no

Just can't get no
Just can't get no sleep
