

We Are Waiting

Three 6 Mafia

Fuck this shit ho
Kill that nigga, kill that nigga
Kill that nigga, kill that nigga
Kill that nigga, kill that nigga
Kill that nigga, kill that nigga
We been waiting, killing you bad boys
Three 6 Mafia, carry them big toys
Automatic, automatic, automatic, automatic
To yo motherfucking head boy
DJ Paul king of this cronk shit
Took a bunk of that powder now I'm cronk bitch
Hit ya ass so hard, fall in the crowd screaming shit
We been waiting on ya to hit the door
DJ Paul knock ya ass to the floor
Knock 'em down
Knock 'em down
Knock 'em down
