Love Song (Extended Mix)

The Cure

Whenever I'm alone with you
You make me feel like I am home again
Whenever I'm alone with you
You make me feel like I am whole againWhenever I'm alone with you
You make me feel like I am young again
Whenever I'm alone with you
You make me feel like I am fun againHowever far away
I will always love you
However long I stay
I will always love you
Whatever words I say
I will always love you
I will always love youWhenever I'm alone with you
You make me feel like I am free again
Whenever I'm alone with you
You make me feel like I am clean again
