

# Love One Another (Frischia & Lamboy club mix)

Cher

Everybody needs a little tenderness  
Everybody needs a release  
From the cell they lock themselves in  
Love's the only peace Everybody needs, everybody cries  
Everybody bleeds, everybody dies  
Everybody dreams, everybody wakes  
Everybody makes mistakes Love one another  
Sisters and brothers  
Love one another Love one another  
Father and mother  
Love one another It's easier to walk away  
When you've got a wounded pride  
But when two people stand together  
That's how they heal inside Try to understand, open up your heart  
A fist is just a hand, it can come apart  
Let go of the past, let go of the fight  
Forgiving fills the world with light Love one another  
Sisters and brothers  
Love one another Love one another  
Father and mother  
Love one another  
Love one another We were given a world so beautiful  
A deep ocean, a blue, blue sky  
I know we can make it a better place  
If only you and I Love one another  
Sisters and brothers  
Love one another Love one another  
Father and mother  
Love one another Love one another  
Sisters and brothers  
Love one another Love one another  
Father and mother  
Love one another  
Love one another
