

Wanted

White Town

Oh, you didn't notice
I existed that night
I jumped and I waved
Even shouted your name that night
Oh, but it's all the same
You'll never see me again
All I wanted you see my face
Oh, but it's all the same
You'll never see me again
All I wanted, ooh ooh ooh
Oh, you're so pretty
You turn me up inside
And I only say this
Because I know I'm not
Oh, but it's all the same
You'll never see me again
All I wanted you see my face
Oh, but it's all the same
You'll never see me again
All I wanted, ooh ooh ooh
And now I'm standing
And you've left me with what?
And now you thank me
For what you've got
Oh, but it's all the same
You'll never see me again
All I wanted you see my face
Oh, but it's all the same
You'll never see me again
All I wanted
