We Don't Need Another Hero

Tina Turner

Out of the ruins, out from the wreckage Can't make the same mistake this time We are the children, the last generation

We are the ones they left behindAnd I wonder when we are ever gonna change it Living under the fear till nothing else remainsWe don't need another hero

We don't need to know the way home

All we want is life beyond the thunderdomeLooking for something we can rely on

There's got to be something better out there

Love and compassion, their day is coming

All else are castles built in the airAnd I wonder when we are ever gonna change it Living under the fear till nothing else remainsAll the children say, "We don't need another hero We don't need to know the way home

All we want is life beyond the thunderdome"So what do we do with our lives?

We leave only a mark

Will our story shine like a life

Or end in the dark? Is it all or nothing? We don't need another hero, hero

We don't need to know the way home

All we want is life beyond the thunderdomeAll the children say, "We don't need another hero

We don't need to know the way home

All we want is life beyond the thunderdome"
