

Rock And Roll Dreams Come Through

Meat Loaf

You can't run away forever
But there's nothing wrong with getting a good head start
You want to shut out the night, you want to shut down the sun
You want to shut away the pieces of a broken heart
Think of how we'd lay down together
We'd be listening to the radio so loud and so strong
Every golden nugget coming like a gift through the Gods
Someone must have blessed us when he gave us those songs
I treasure your love, I never want to lose it
Girl, you've been through the fires of hell
And I know you've got the ashes to prove it
I treasure your love, I want to show you how to use it
Girl, you've been through a lot of pain in the dirt
And I know you've got the scars to prove it
Remember everything that I told you
And I'm telling you again that it's true
When you're alone and afraid and you're completely amazed
To find there's nothing anybody can do
There's always something magic
There's always something new
And when you really, really need it the most
That's when rock and roll dreams come through
The beat is yours forever
The beat is always true
And when you really, really need it the most
That's when rock and roll dreams come through for you
Once upon a time was a back beat
Once upon a time all the chords came to life
And the angels had guitars even before they had wings
If you hold onto a chorus you can get through the night
I treasure your love, I never want to lose it
Girl, you've been through the fires of hell
And I know you've got the ashes to prove it
I treasure your love, I want to show you how to use it
Girl, you've been through a lot of pain in the dirt
And I know you've got the scars to prove it
Remember everything that I told you
And I'm telling you again that it's true
You're never alone 'cause you can put on the phones

And let the drummer tell your heart what to do
There's always something magic
There's always something new
And when you really, really need it the most
That's when rock and roll dreams come through
The beat is yours forever
The beat is always true
And when you really, really need it the most
That's when rock and roll dreams come through
Oh for you yeah yeah
That's when rock and roll dreams come through
That's when rock and roll dreams come through
That's when rock and roll dreams come through
...
