Marry Me

Ed Cash

-Verse-
I knew the moment i first saw you, our love was meant to be
It was only a matter of God's time
My instincts said to marry you,
Patience said to wait,
But I knew to let you go would be a crime.Well I've seen so many faces,
I've seen so many smiles
But you are the only one for me.
And I know what grace is, cause I've walked a million miles,
And after that my Jesus set me free.-Chorus-
So won't you marry me?
I'm down on my knee,
And carry me,
through the peaks and valley's,
pray with me,
Walk with me through this life,
I'm asking you to be my wife.-Verse-
I can't wait to share my life with you,
I can't wait to make love,
I can't wait to give you all I've got to give.
Three way communication
And sweet compromise.
I can't wait for God to show us how to live.
Well I'll be with you forever, and I know you feel the same,
Ain't no sense in getting married, any other way.Carrie, I hear sweet music at the sound of your name,
And I hope I never have to live another day,
without you, soo-Chorus-
So Marry Me?
I'm down on my knee,
And carry me,
through the peaks and valley's,
pray with me,
Walk with me through this life,
I'm asking you to be my wife.I'm asking you to be my wife
ooh oooh ooh, ooh oh
