

My Baby Don't Understand Me

Natalie Prass

I don't feel much
Afraid I don't feel anything at all
In the name of love
I keep close but I'm gone Stuck with his stride
Even when the road was long
Climbing one step at a time
Waiting for a reason to fall Our love is like a long goodbye
We keep waiting for the train to cry
Because my baby don't understand me
He don't understand me anymore
Oh no, my baby don't understand me
What do you do when that happens
Where you go when the only home you know is with a stranger When our love was young
We could make the world crumble
But with one word
He could turn it all around Our love is like long goodbye
We keep waiting for the train to cry Because my baby don't understand me
He don't understand me anymore
Oh no, my baby don't understand me anymore
What do you do when that happens
Where you go when the only home you know is with a stranger Our love is a long goodbye
Our love is a long goodbye
Our love is a long goodbye
Our love is a long goodbye
Our love is a long goodbye
Our love is a long goodbye
Waiting on the train, waiting on the train Our love is a long goodbye
Our love is a long goodbye
Our love is a long goodbye
Our love is a long goodbye
Our love is a long goodbye
Our love is a long goodbye
Waiting on the train, waiting on the train Our love is a long goodbye
Our love is a long goodbye
Our love is a long goodbye
Our love is a long goodbye
Our love is a long goodbye

Our love is a long goodbye
Our love is a long goodbye
Waiting on the train, waiting on the train We keep waiting for the train to cry
Because my baby don't understand me
He don't understand me anymore
Oh no, my baby don't understand me anymore
What do you do when that happens
Where you go when the only home you know is with a stranger
