

Raise Your Hand

Janis Joplin

If there's anythin' that you need,
Hon, that you've never, ever, ever had.
I know you've never had it.
Oh, honey, don't you just sit there cryin',
Don't just sit there feelin' bad.
No, no, no. You'd better get up,
Now do you understand,
And raise you hand!
I said raise your hand, hey. You know I'm standin' about, yes I am.
Want to give you all my love.
Oh, honey, won't you come on and open up,
I said, open up your heart.
Please, let me try. You'd better to be good.
Don't ya understand ?
Raise your hand.
I said, raise your hand,
Right here, right now, c'mon!!
Whoaaaaah, oh yeah!! If there's anything you need,
Honey, that you ever, ever, ever try,
I want you to give it up
I said to give it all, don't you know that you have. You'd better be good.
Don't ya understand,
Raise your hand.
I said, raise your hand,
Raise it,
Raise it,
Raise it,
Raise,
Alright!! Ha wah do wah
Ha wah do wah
Ha wah do wah
Ha wah do wah
Whoa
Whoa
Whoa, hon
Whoa, yeah
Whoa, hon
Whoa, yeah
I said every day when I go out
