Find A Way

Tribe Called Quest@@a

Hold on, what?s the rush, what?s the rush
We?re not done, are we?
?Cause I don?t need to change this
Atmosphere we?ve made
If you can stay one more hour
Can you stay one more hour?
You know I?m gonna find a way
To let you have your way with me
You know I?m gonna find a time
To catch your hand and make you stay
Hold on, I?ll be here when it?s
All done, you know
?Cause what?s the point in chasing
If I can?t enjoy your face and
We can?t be wrong tonight
Can we be wrong tonight?
You know I?m gonna find a way
To let you have your way with me
You know I?m gonna find a time
To catch your hand and make you stay
I don?t care what clothes you wear
It?s time to love and I don?t care
You know I?m gonna find a way
To let you have your way with me
And if I was running you?d be the one
Who I would be running to
And if I was crying you would be lining
The cloud that would pull me through
And if I was scared then I would be glad
To tell you and walk away
But I am not lying, I am just trying
To find my way in to you
You know I?m gonna find a way
To let you have your way with me
You know I?m gonna find a time
To catch your hand and make you stay
I don?t care what clothes you wear
It?s time to love and I don?t care
You know I?m gonna find a way

To let you have your way with me
You know I?m gonna find a way
To let you have your way with me
You know I?m gonna find a time
To catch your hand and make you stay
I don?t care what clothes you wear
It?s time to love and I don?t care
You know I?m gonna find a way
To let you have your way with me
And if I was running
And if I was crying
And if I was scared
You know I?m gonna find a way
To let you have your way with me
