Night man cooka

Keep me a rooka

The Heat is where I grew up

So It's what I threw up

Sicker than a mothafucka,

might throw my food up

Hoop coola no one losers

You had good brains

I ain't even had to school her

Meet me at 2'tha

I just want to do her Pass it to the inc.

And let my bro screw her

Im killin and Ill be that way

I got a large appetite for some pussy and weed

I said my money is green

And my thun thun is blue

And If I pop that bitch

She gon pop one too Okay she poppin' too

Now she's getting like me

I said we're jerkin

And we stumpin

But can't catch the beat

We can't catch the beat

But I'm feelin' my dance

I had one pill left

And it fell on my hand, Dang..
