

## Mr. Right Now

# Pitbull

Hello, my name is not Mr. Right but you can be my missis tonight  
 I know we're only fooling around, I'm never gonna be your Mr. Right  
 But I'ma be your Mr. Right now, right now, right now, right now Broken rules have broken laws have broken  
 hearts have broken all  
 And if you put me on baby I'll break you off, this is the third mundo, take  
 It off, haha  
 You know the game plan, I'm a quarter back with options  
 I wanna go deep, hell mary, amen,  
 But tell your friend don't block us, our... can watch us  
 You know what time it is with no watch us  
 I'm not Mr. Righteous, I'm Mr. Right now, baby Hello, my name is not Mr. Right but you can be my missis  
 tonight  
 I know you're looking for a good guy, but I can guarantee a good time  
 Hello, my name is not Mr. Right but you can be my missis tonight  
 I know we're only fooling around, I'm never gonna be your Mr. Right  
 But I'ma be your Mr. Right now, right now, right now, right now Mama you can't be seriously, looking for  
 something serious me  
 I'm a lot of fun, best bang, no headaches, I hit and run, haha  
 You can thank me later, give me a second let me thank these haters  
 Thank you I can push, spoon, nimble, lick, bite, oh, and spank you  
 You can call all your girls over...  
 Let me buy them a drink too, I'm not Mr. Right, I'm Mr. Right now, baby
