

# For the Good Times

Al Green

Don't look so sad  
I know it's over  
But life goes on  
And this world  
Keeps on turning  
Yeah  
Let's just be glad  
We have this time  
To spend together oh  
There is no need  
To watch the bridges  
That we're burning hey oh

Lay your head on my pillow sweet babe  
Hold your warm and tender body close to mine hey  
Hear the whisper of the raindrops  
Roll softly  
Against my window hey hey oh late at night  
Make believe you love me one more time hey  
For the good times hey  
For the good times

I'll get along  
I'm sure you'll find another but baby please remember  
I'll be here, I'm gon stay right here  
And you should ever find that you need me yeah  
Don't say a word  
About tomorrow  
Ah forever and ever and ever and ever  
They'll be times  
Enough for severance when you leave hey hey hey  
For the good times  
For the good times

Lay your head  
On my pillow  
Oh this is one time girl  
Hold your warm and tender body close to mine  
Hear the whisper

Of the raindrops  
Rolling softly against my window  
Oh you gotta do is  
Oh you gotta do is make believe you love me one more time  
For the good times  
For the good times

Here's what you outta do is  
Lay your head on my pillow  
Hold your warm and tender body close to mine....
