Klaatu

Older

It seems like each day you get older
And each day the world becomes colder
In a cynical way
Time
Do you feel like you missed your time
I feel like I've missed mine
And I'm losing my way
I think it's time you realised
For I can see it in your eyes
You seem convinced that you will
Live forever

Older

I feel like my life has blown over
I keep looking over my shoulder
And seeing nothing but grey
It's a crime
Don't it seem like such a crime
I wish I had more time
But I'm drifting away
Older
You see it's like I told 'ya
You've gained the right to grow older
By living today
I think it's time you realised
For I can see it in your eyes
You seem convinced that you will
Live forever
