

Jesus, I Love Calling Your Name

[Shirley Caesar](#)

Chorus:

Jesus, Jesus, I love calling Your name.
Jesus, Jesus, everyday Your name is the same.

Verse 1:

When the troubles surround me,
and I didnâ€™t have to despair;
Lord, You told me that Youâ€™d be right there.
Seems like all my problems, they have just begun;
but Iâ€™m not gonna worry about it no more, Youâ€™ve already won.

Chorus:

Jesus, Jesus, I love calling Your name.
Jesus, Jesus, everyday Your name is the same.

Verse 2:

I remember the time when I felt so all alone,
when I needed You, Jesus, all I had to do was call.
I called You in the morning,
I called You late at night,
but when I went on my knees and called You, Lord,
You made everything alright.

Chorus:

Jesus, Jesus, I love calling Your name.
Jesus, Jesus, everyday Your name is the same.
